Building Design Update

- Discussion was held with Tim McDonald about various options for the building. He indicated that the wider the clear span of the building the more expensive it would be. He indicated that we could look at constructing the building in two segments which could decrease the cost some.
- We asked him to draw up 2 designs ~ fully clear span and in 2 segments

Commissioner comments –

- At this point in the meeting commissioner, Mike Novotny, dramatically expressed his lack of interest in the building. After several comments from Mr. Novotny he left the meeting.

Building Location

- No further discussion at this meeting

Thank you cards

- Kim DeMers passed around a thank-you for each committee member to sign. She will make copies of this to use when sending out thank-you's to donors.

Fundraisers –

- 5K Walk/Run
 - We made ~ \$250 on this fundraiser
 - Turnout was not as great as anticipated. A morning would be a better time for an event like this.
- T-Shirt Sales
 - The deadline to order to get t-shirts prior to the Mid-Dakota Fair has been set for July 11, 2019
 - Currently we have left over gray t-shirts from the 5K Walk/Run that are available for cash and carry.
- JD Gator Tickets
 - We talked about various events that we could sell tickets at. Laura will send out a sign-up e-mail for these events. The events include:
