Rhonda Gilchrist did not have an update on the Dairy Barn she had been trying to get ahold of Bonnie and hoped she would be at the meeting as she had heard Bonnie had an estimate but was not sure of any of the details. It was again mentioned seeing if there would be some Insurance money that may help with the cost.

Rusty got ahold of Tom DeWalt (?) he is supposed to get back to Rusty by Thursday or Friday regarding the speaker system.

The flag poles are not done yet. Rusty did trim trees. The County put in a new culvert and some gravel by the dumpster, and they also put some sand in the new arena.

Lights at the rodeo grounds are done.

Jessica has been in contact with the Does and the company that will supply the toilet paper and paper towel dispensers. The Does will buy 3 boxes of toilet paper for now. Jessica said they would even send somebody out to install the dispensers.

New Business: Debbie S mentioned that the mopping machine is not working. Jessica reported it does not hold a charge. Rusty suggested that Jessica call the company to see what a new battery costs and to also get prices on a new machine. If nothing else Jessica would like to get some new mopping supplies. A mop bucket that has a spicket and a bigger mop head.

If not, Debbie was told to contact Dan Patmore to see if he could fix it. Debbie S also mentioned that Melissa reported there were 5 tables that were broken. They are the 6 ft tables. Rusty said he would look at them.

Debbie S also asked if she could contact Feeding SD to see if they could move their location. Rusty told her to go ahead and call them, but it might be easier for the summer workshops for the kids to come in the south door. Debbie said they wouldn't be able to be there during fair.
